

BTEC Entry Level Award in Vocational Studies

Unit 5 – Researching a Tourist Destination

Task 1, part 2

Methods of Transport

For your coursework you need to find out about 2 different methods of transport you could use to get to your chosen Lake District destination.

Where you will leave from?

Where did you choose to go to in the Lake District/Cumbria?

What methods of transport could you use to get there?

Method 1 _____

Method 2 _____

Transport Method 1

Find out some information for Method 1, for example:

How much time will the journey take?

How far is it?

What route would you take?

How much would it cost?

Where did you find this information from? Keep a record of the information sources you used:

Transport Method 2

Find out some information for Method 2, for example:

How much time will the journey take?

How far is it?

What route would you take?

How much would it cost?

Where did you find this information from? Keep a record of the information sources you used:

Are there any other means of transport you could use to get to your destination? If there are please describe them in the space below:
