- B new range of action trikes
- C you're guaranteed more smiles
- D voted 'Best Buy'

Answer:

- 6 Read the information below taken from an information sheet about hidden ingredients in food, then answer the question.

How much salt?

Many food products contain far too much salt for children. The maximum daily intake is two grams for children aged one to three years and three grams for children aged four to six years. Anything that has sodium in its name contains salt, and you need to multiply the sodium amount by 2.5 to find the actual salt level.

What is the maximum daily intake of salt for a child age five?

- A one gram
- B two grams
- C three grams
- D 2.5 grams

Answer:

- 7 Which of the following sentences is not punctuated correctly?

- A You can still go out and enjoy yourself.
- B Do you need more sleep.
- C You should avoid alcohol.
- D Make sure eggs are cooked thoroughly.

- 8 Read the information below taken from a leaflet about Child Tax Credit and answer the question.

What is Child Tax Credit?

Child Tax Credit is a payment to support families with children.

You can claim Child Tax Credit if you are responsible for one child (or young person) or more. You do not have to be working to claim.

Child Tax Credit will provide support for:

- a) a child until 1 September following his or her 16th birthday; or
- b) a young person aged 16 to 18 who:
 - is in full-time education, up to and including A-levels or NVQ level 3
 - has left full-time education but does not have a job or a training place and has registered with the Connexions service
 - is not claiming Income Support or Tax Credits in his or her own right
 - is not serving a custodial sentence of four months or more imposed by a court.

Who claims and receives Child Tax Credit?

- A the parent/s or carer/s of the child or young person
- B a young person aged 16 to 18
- C a young person registered with the Connexions service
- D someone who has left full-time education

Answer:

- 9 Read the information below and answer the question beneath it.

Starting at nursery

By the time nursery comes round at age three, children are ready for imaginative games.

Boys and girls may choose quiet different toys by this age, but both will enjoy art and craft activities and miniature world toys, as well as simple construction sets and first board games.

Which suggestion corrects the spelling error?

- A On line 1 replace *time* with *thyme*
- B On line 1 replace *are* with *our*
- C On line 2 replace *quiet* with *quite*
- D On line 3 replace *board* with *bored*
