

## Guernsey Map to Adulthood

Information about moving on

### 1. Introduction

The Learning & Skills Improvement service have kindly sponsored this leaflet. It is designed to help parents/carers and students to find out what support is available in Guernsey to help young people with Special Educational Needs to make a smoother transition. Transition is a time when a young person is moving through establishments. Each young person is treated as an individual with varying levels of achievement. All young people receive support to help them plan their choices and decisions.

**The Transition points include;**

Age 10/11 - moving to Secondary School  
Age 15/19 - Options when leaving school  
Age 16+ - What to do after leaving full-time education

**The Transition Plan includes:**

A summary of achievement at school  
A summary of the student's aspirations for the future  
Realistic targets to help students make progress towards their goals  
Action points for the student and people supporting the student
