Name#####

All students must abide by the Student Code of Conduct. However, the following points are to be noted as key issues in this instance.

1. I will not use language that may be offensive to others
(for example; No swearing)
2. I must behave in an acceptable and considerate manner at all times when engaged on College activities and conduct myself so as not to interfere with the work or study of other College members and visitors
(for example; I will not push/throw furniture or equipment in anger)
3. I must be polite and courteous to all staff and fellow learners at all times.
(for example; I will not hurt or be rude to staff)
4. I will comply with reasonable instructions relating to behaviour from college staff.
(for example; I will do what staff ask me to do, to keep me safe and happy at college)

This contract will be reviewed **every week** in tutorial with Marie. If you are not able to follow these rules, you may not be able to attend all your lessons.

I have read the above terms and understand that to continue to have a place on the course; I must follow the college rules
