Spelling

Activity A

One way to help to spell words is to break them into sounds.

b – u – s = bus **b – a – g = bag**

Say these words to yourself. Break them into sounds and practise writing them.

got cup had dog put ran

When you put the two letters 's' and 'h' together, they make the sound 'sh'.

To spell the word 'shop' we take the sounds **sh – o – p = shop**.

Say these words to yourself. Break them into sounds and practise writing them.

Asha cash push show

Activity B

Letter patterns

Some letters written together make one sound. Looking for letter patterns can help you to spell. Look at these words with the sound 'cl' at the start.

clinic **cl**ip **cl**ass

Look at these words with the sound 'mp' at the end.

ju**mp** lu**mp** bu**mp**

- 1 Look at the word banks in this unit.
- 2 Find the words that use the sounds 'st', 'nd', 'ck' and 'sh'.
- 3 Write the words next to the letter pattern.

st	
-nd	
-ck	
-sh	

Activity C

If you know how to spell one word, you can use this to help you to spell others.

If you can spell 'make', all you need to do is change one letter and you can spell words like:

bake cake fake lake rake sake take wake

Write some words that sound like each of these words:

call

back

tell

Activity D

To spell words, you need to remember all the letters in the right order. The 'Look, Say, Cover, Write, Check' method can help you to spell words.

From your own writing find words you want to learn to spell.

Look, Say, Cover, Write, Check

Look at the word. Think about how you will remember it.

Say it to yourself.

Cover the word.

Write it down.

Check it letter by letter.

If it is correct, go on to the next word.

If it is not, try again.

Repeat the 'Look, Say, Cover, Write, Check' method.

Ask your teacher to check if you can spell the word a week later.

Integrated skills

You need to give personal details if something gets lost.

You may need to include your name, address and telephone number.

Key words

It is much easier to give details about what happened if you make a note of some key words.

- Sports bag
- Lost in food hall
- Near the meat counter

Use the bullet points to note key words about something you might lose.

I saw a man walking quickly round the side of the building. I didn't think it was important at the time. What drew my attention to him was he seemed to be trying to pull his coat over something shiny. It wasn't until I heard the news that I thought it could have been the same man trying to cover the World Cup with his coat. The man was about thirty-five and he was wearing a dark coat. He wasn't very tall. I could see he had blond hair as it was sticking out from under a blue woollen hat.
