

## National Star College – Feedback from Boundaries Training Session

---

### **Feedback from Boundaries Training Session**

Senior Support worker – “this was a very valuable session in helping me to understand how students view boundaries and safer working practices.”

Third year Student – “the group activities helped each of us to understand the boundary challenges we all face.”

Deputy Manger – “This session gave me a better perspective on where to draw the line regarding boundaries and the level of student’s understanding of this vital subject.”

Third year Student – “I was able to share with other students and staff my understanding of boundaries and together we discussed each point.”

Volunteer – “Through discussion we all agreed that these sessions help us to share our ideas and concerns regarding staff and student boundaries and look for solutions.”
