

## Number Assessment Activity

### 'Can do' cards

Look through the question cards.

For each one decide if you 'Can do' the question, if you 'Need lots of work' on it, or if you are not sure and 'Need more practice'. When you have decided, place the question card under the smiley card which describes how you feel about it.

You do not have to do the calculations!

1)

What is double six?

2)

How many 3s go into 24?

3)

25 is a prime number.  
True or False?
