

# Sustaining our Future: a framework for moving towards a sustainable learning and skills sector

## Key resources to support Theme 4: Partnerships

What is it?	Summary description	Link
SORTED resources for working with community and business	Suite of materials and resources to support learning and skills providers to work with businesses and the local community to develop their work in relation to sustainable development. Includes the detailed 'Guide Yourself Through Community and Business' resource and a series of case studies.	<a href="http://www.eauc.org.uk/sorted/community_and_business1">www.eauc.org.uk/sorted/community_and_business1</a>
British Council Toolkit for International Partnerships	This Tool Kit is designed to aid UK FE colleges and other training providers in planning, developing, implementing and managing international partnerships. It provides a project overview showing all the stages of a successful partnership:	<a href="http://www.britishcouncil.org/vocational_partnerships_tool_kit_for_international_partnerships.pdf">www.britishcouncil.org/vocational_partnerships_tool_kit_for_international_partnerships.pdf</a>
WWF Guide to Community Learning and Action for Sustainable Living	Short guide based on a WWF initiative to develop a model for working with communities to support sustainable development through learning. Draws on lessons from that experimental work and summarises the model.	<a href="http://www.eauc.org.uk/file_uploads/claslsummaryhowtweb_-wwf.pdf">www.eauc.org.uk/file_uploads/claslsummaryhowtweb_-wwf.pdf</a>
AoC Curriculum Survey Report	Report of survey carried out by the Association of Colleges into the 'green' curriculum offered by members as part of its 'Green Colleges' initiative. Includes a section on employer engagement..	<a href="http://www.eauc.org.uk/aoc_curriculum_survey_report">www.eauc.org.uk/aoc_curriculum_survey_report</a>
