

Get involved. Make a difference

### Assessment

Students reflect on their learning and consider what they need to do in order to progress. Opportunities for self assessment and peer assessment are built into the citizenship programme and students also receive feedback from teachers and their community service link person.

## BISHOP'S HATFIELD GIRLS' SCHOOL

# Enjoying citizenship

## The curriculum

Here is an outline of some of the topics we deliver during our citizenship lessons. Hopefully it will give you a flavour of what we do.

Millennium Goals

Crisis - a simulation game which places students in the role of decision-makers in a small newly independent country

Fair Trade

Citizenship - watch it grow and flourish

Sentencing young offenders

Discussing issues with our local MP

Debating issues around the use of animals in medical research

Current Affairs - 'Read all about it'

Moral dilemmas

Is there any such thing as a just war?

President for a Day

## Community service

Here are some examples of what the students get involved with / organisations they work in.

### Training our press officers

Charity committee

Acting as press officers for the school

Running sports and drama clubs

Providing a homework club

for pupils

Reading buddies

Lesson support in school

Hospitals

Charity shops

Primary schools

RSPCA

Hospice

Care homes

Rainbows

## Student voice / political literacy

Here are some of the opportunities members of the Sixth Form have to influence decisions and make themselves heard

School council

Sixth Form council

'Food Matters' group

Welwyn Hatfield Youth Council

Rewards, praise and sanctions group
